# **Fee and Rate Schedule**

## **2012**

## Current Rate Schedule and General contract terms

(January 2012)

Consulting services will be performed on an hourly basis and billed based on the time actually spent on a project. All times in proposals are estimates only and include necessary documentation if not stated otherwise. Times quoted do not include travel times and non-task specific meetings and activities. Billing will be monthly based on time sheets submitted with invoice. Material and travel expenses are not included and will be billed separately at cost.

A prepayment of 20% of the estimated consulting fees will be necessary for each major project step.

### Hourly Rates

| Activity  | Rate/hour |
|---|-----------|
| Travel (door to door)   | \$129.00  |
| Discounted Rate for contracted projects over 120 consulting hours <sup>1</sup> per purchase order | \$179.00  |
| Consulting / Research   | \$195.00  |
| Technology audit / assessment   | \$210.00  |
| Expert Witness fees (includes necessary prep time)  | \$490.00  |

### Travel Expenses

The current System Safety, Inc. travel policy for consulting and testing services applies.

### Fixed Price Option

The estimated consulting and testing costs of any project specific proposal can be converted to a fixed price contract at 1.5 times the estimated consulting and testing cost.

### Indemnification

Any company contracting SSI agrees to indemnify System Safety, Inc. from all liability claims resulting from services rendered.

---

<sup>1</sup> If not all contracted hours are delivered due to client request, the rate will be adjusted retroactively to the full consulting rate.
